No injuries in early morning commercial fire

Fire contained to the exterior of the building

EVERETT, WA – At approximately 2:30 A.M., Everett Fire responded to a report of a commercial fire on the back side of a three-occupancy strip mall at 8417 Evergreen way, behind Panda Express and Wingstop. Upon arrival, crews found an exterior fire and quickly extinguished it before it extended into the inside of the structure. There were no injuries.

The fire is believed to have started under a small awning/overhang-type structure used during business hours by employees to shelter their bicycles.

The cause and origin of the fire are under investigation.
